Europe for Citizens 2014-2020

Strand/category	Network
Deadline	01/03/2018

Organization

Name	Cerdedo-Cotobade city council
Short description	Inside the province of Pontevedra, 22 km from the capital, the Municipality of Cerdedo-Cotobade is located. With an extension of 215.10 km2, distributed throughout 21 parishes, it is the place to discover the cultural and historical heritage of an old land of builders. An architectural and artistic legacy worthy of admiration in any corner, where the Romanesque is the protagonist. Cerdedo-Cotobade is a municipality in the province of Pontevedra, located in the west of it. It borders on the municipalities of Pontevedra, Campo Lameiro, A Estrada, Forcarei, A Lama and Ponte Caldelas. This municipality was created by the merger of the municipalities of Cerdedo and Cotobade, in October 2016. The capital of the City Council is located in the place of A Chan, in the parish of Carballedo, without its place name corresponding to that of any entity of population. REGION The City Council of Cerdedo - Cotobade is part of the Pontevedra and Tabeirós-Terra de Montes Counties.
